

Press Release

**CHANGE OF BOARD CHAIRMAN FOR GREEN ARROW CAPITAL SGR:
LUISA TODINI PASSES THE BATON TO NUNZIO LUCIANO**

Rome, 26th April 2023 – **Green Arrow Capital** (“GAC”) Group – one of the leading independent Italian operators in the alternative investment world, founded in 2012 by **Eugenio de Blasio** and **Daniele Camponeschi**, and supported in the control and management of the Group by **Alessandro Di Michele** – announces that during today’s Shareholders’ Meeting of **Green Arrow Capital SGR**, **Nunzio Luciano, Esq.** has been appointed **Chairman**. Furthermore, the Shareholders’ Meeting appointed the Partner **Francesco Maria Giovannini** as **Vice-President** and **Institutional Relations Manager**.

Nunzio Luciano, Esq. inherits the role from **Luisa Todini**, partner of the holding company, who has presided over the SGR since 2018, working closely with Green Arrow Capital’s founders of the board of the holding Green Arrow Capital Spa Benefit Company. The Shareholder’s Meeting expressed its gratitude to Luisa Todini for her mandate, carried out over years during which the company reached important growth targets.

With his vast experience and competence in the Private Market sector, newly appointed Chairman **Nunzio Luciano** will support the founders, partners and management in the achieving of GAC’s new growth targets, aiming to consolidate the Group’s internationalization path as a means for development in the medium term, as well as become the reference platform for alternative investments in Southern Europe. Former President of the Cassa Forense, Nunzio Luciano was also Chairman of the Advisory Board of the European Investment Fund (EIF) – AMUF and currently chairs the Strategic Committee of the *Green Arrow Infrastructure of the Future Fund* (GAIF).

Green Arrow Capital, with around €2 billion in assets, is currently raising its fourth Private Equity fund (*GAPEF IV Italian Champions*) dedicated to outstanding Italian SMEs, as well as its second Private Debt fund (*GAPDF II*), and the Infrastructure of the Future Fund (*GAIF*) which invests in renewable energy and digital infrastructures in Europe.

Profile – Nunzio Luciano

Nunzio Luciano has over twenty years of experience in Pension Funds and in the savings management sector. He was President of Cassa Forense for 7 years, a mandate during which he fronted important decisions on welfare measures and portfolio adjustments in sustainable investments and in real economy. Since 2021, he is Chairman of the BoD of EMAPI (Mutual Assistance Agency for Italian Professionals), and currently serves as Chairman of the Steering Committee of the *COIMA ESG City Impact Fund*, as well as Chairman of the Strategic Committee of the Green Arrow Infrastructure of the

Future Fund. Professor at the Luiss School of Legal Advisor, he covered, during the course of his career, a multitude of prestigious roles, amongst which Member of the Investment Committee of F2i SGR, Member of the BoD of Hope Sicaf Retail, Chairman of the Advisory Board of the European Investment Fund (EIF) – AMUF. He graduated in Law from the University of Naples “Federico II”.

GREEN ARROW CAPITAL

Green Arrow Capital is one of the leading Italian Independent Asset Managers in the alternative investment world, with €2 billion assets of historical raised. To date, around 200 entities have invested into GAC's funds, almost 90% of which are represented by institutions (Banks, Sovereign Funds, Funds of Funds, Banking Foundations, Insurance Funds, Pension Funds, and Insurance Companies) and around 20% are of international origin. GAC operates three different investment strategies – Clean Energy & Infrastructure, Private Equity, and Private Credit – led by dedicated and independent teams and has currently in fundraising the second Private Debt fund (GAPDF II) and the fourth Private Equity fund (GAPEF IV Italian Champions) supporting excellent Italian SMEs as well as the Infrastructure of the Future Fund (GAIF), which invests in renewable energy and digital infrastructure in high-potential markets in Europe.

Green Arrow Capital was founded in 2012 by Eugenio de Blasio, major shareholder as well as Chairman and CEO, together with the co-founder Daniele Camponeschi (Group CIO). Aside from its founders, Green Arrow Capital includes partners Alessandro Di Michele (Group CFO), Luisa Todini, Francesco Maria Giovannini and Stefano Russo.
